APOSTOLIC NUNCIATURE
IN GERMANY

Berlin, August 23, 2006

Nr. 2485/06

Dear Mr. Weisner!

in a letter dated July of this year you contacted, in the name of the International Movement *We are Church*, His Holiness Pope Benedikt XVI and asked for a personal meeting.

The State Secretariat has instructed the Apostolic Nunciature to let you know, that regrettably your request cannot be complied with. You and the other members can at any time lead a constructive dialogue on the current questions and problems in the church with the bishops and priests of the legally qualified dioceses and parishes.

The nuncio being absent I fulfil the duty of sending you this answer and remain kindly yours

Stephan Stocker
